

Changes of Society II

Syllabus Number

SOC-308

Elective

2 credit

LEE, Chanwoo

1. Course Description

Changes of Society I surveys the fundamental and basic ideas and concepts involved in changes of modern societies and provides students with an understanding of how the sociology works at the fields of changing society.

In this course we are primarily concerned with the analysis of social structures, and the behavior of social units, and also take a step forward to fields of social communities in modern society.
