

Research in Juvenile Literature Education I

Syllabus Number

JLE-201

Elective

2 credit

KAWASHIMA, Yuya

1. Course Description

Handwriting as a communication tool has the added benefit of not only communicating. In this day and age, the ability to "write neatly" and the "board writing ability" to neatly arrange letters on the blackboard can be a "weapon" for working adults and teachers. In this class, students will learn how to write legible and beautiful letters.
