

学校組織マネジメントと特色ある学校づくり

Compulsory 2
credit

MAEJIMA, Masaaki・TATEBE, Yutaka

1. Course Description

It is essential to build up flexible school system. You are required to learn about methods of analyzing good and bad points of school management and its system. You will also learn how to carry out your tasks as a member of school through workshops in which you are going to make your own educational plans so as to develop practical knowledge.
