1. Course Description

The aim of this course is to understand the problems of youth. The problems of youth concern with the various factors in the society, and therefore not only the problems of 'youth'. The aim of this course to figure out those who concerning the problems of youth, and the linkage between those problems and the wider social situations. The evaluation is based on the following measure; (1)small tasks during the class(40%) and(2) final report(60%). The course deals with various problems such as bullying, student-teacher relationships, youth offending, and so on. No textbook is used in the course, and use handouts instead.
