

English for Civil Service Examination II

Syllabus Number

CAE-218

Elective

2 credit

YOSHIDA, Koji

1. Course Description

This course is designed (mainly) for juniors who want to become civil servants. In the Autumn Semester, we will train you so that you can answer "advanced level" questions with certainty, by improving your reading comprehension and speed-reading skills that you acquired in the Spring Semester. Therefore, although it is not a requirement for taking this course, it is desirable that you have got the credits for "English for Civil Service Examination I."
