

International Communication 2-1:	Syllabus Number	FLE-103
English	POJE, Joe	Elective 2 credit

1. Course Description

In this participatory English course students will work individually and in pairs to develop their English communication skills. In addition to improving their vocabulary and conversational skills through the use of textbooks and activities, the students will also learn about Canadian and American culture. As all lessons will be in English only, students will be encouraged to use English when asking questions and working with other students in the classroom.
