

Micro-social Psychology

Syllabus Number

SOP-201

Elective

2 credit

OE, Tomoko

1. Course Description

People process vast amounts of social information every day to understand and make sense of themselves and others. This course focuses on intrapersonal processes which provide the basis of interpersonal relationships: social self, social cognition, emotion and feelings, and others. Students are expected to acquire knowledge and empirical techniques required to interpret studies related to these areas.
