Compulsory Elective
2 credit

IGOU, Yoshinobu

1. Course Description

In a lifelong learning society, there is a need for people who can structure their own learning opportunities on their own. In this class, students learn about adult learning, which is attracting attention in the lifelong learning society. It incorporates group work and emphasizes the independence of the participants. While understanding the characteristics of lifelong learning support in Japan, the location of specific issues and future prospects are actually discussed. There is no limit to the number of participants, so don't worry to take this course.
