

Seminar II

Syllabus Number

SEM-302

Compulsory 2
credit

NAGAI, Risa

1. Course Description

The activities of seminar II are;

①acquiring basic techniques for working in society, as preparation for job hunting,

②learning SDGs which are expected to practice in corporations, government agencies, education or individuals, and what kind of activity each organization does in practice.

After learning SDGs activities in each business, students should think about what kind of SDGs activity they would be able to do in each organization which they hope to work in, after the graduation.
