

Public Finance I

Syllabus Number

PFP-201

Compulsory Elective
2 credit

FURUICHI, Masato

1. Course Description

In this lecture, I will explain the basic concept of public finance, followed by an outline of taxes, public finance and the features of social insurance in Japan, as well as their present situation and the issues facing them. Opinions on public finance are divided among the government, corporations and scholars. The lecture will touch on some basic knowledge and issues which you can use to understand and judge those opinions.
