

Introduction to Regional Geography I

Syllabus Number

HUG-201

Elective

2 credit

OKABE, Yushi

1. Course Description

In this lecture, I will pick up a certain area, and introduce the regions of the world from the point of view of general aspects of these areas.

After students have outlined the significance of the regional geography in the first lecture, I will pick up certain area around the world and I will present it. In this course, I will introduce especially the areas in Europe, but I will consider student interests by taking the questionnaire.
