

Introduction to Regional Geography II (Teacher Training Course)

Syllabus Number

ESS-204

Elective

2 credit

OKABE, Yushi

1. Course Description

In this lecture, I will pick up a certain area, and introduce the regions in Japan from the point of view of general aspects of these areas.

After students have outlined the significance of the regional geography in the first lecture, I will pick up certain area in Japan and I will present it. In this course, I will consider student interests by taking the questionnaire.
