

Social History of Japan II

Syllabus Number

JPH-234

Elective

2 credit

HAMAI, Kazuhumi

1. Course Description

This course deals with social problems in postwar Japan historically from various viewpoints, such as the life of demobilized soldier, movement of young people and disparity. Now, after more than 75 years since the end of the war, “postwar period” has come to a stage where it could be understood historically. The primary aim of this course is to understand Japan as it is today through studying social history of Japan.
