

Economic Policy II

Syllabus Number ECP-212
Elective 2 credit
FUTAMURA, Hideo

1. Course Description

Please take this course after understanding the basic macroeconomic framework and the economic policy effects learned in Economic policy I. Considering the monetary policy and fiscal policy adopted in Japan and overseas(mainly in the U.S.A.), students will be learned the background of each economic environment, the purpose of the economic policies, the actual effect of the economic policies, and the lessons learned from them. Students will be able to improve their skills by solving self exercise and homework with LMS.
