

Seminar I

Syllabus Number

SEM-301

Compulsory 2
credit

TAKAI, Tadashi

1. Course Description

The purpose of this course is to enhance students' analytical skills on fiscal issues and to acquire presentation skills for post-graduation social life through (1) rotating reading of literature on public finance, and (2) collecting materials, writing resumes, making presentations and discussions in seminars on various fiscal issues by students themselves.

This course is an exercise in examining various issues in modern public finance from the perspective of public finance.
