

Elective Italian (Elementary) I

Syllabus Number

ITA-101

Elective

1 credit

TAKAO, Yuki

1. Course Description

This course aims to introduce basic Italian grammar through the textbook provided. It focuses on grammar analysis with immersion in conversation, drills and quizzes so as not to compromise aural and oral skills development. In addition, the course will include lectures on Italian culture and art, plus question-and-answer sessions for further enrichment.

In accordance with the curriculum reorganization, Elective Italian (Elementary) I from this year is equivalent to the Elective Italian (Elementary) I & II of the previous year.
