

Senior Seminar I

Syllabus Number

THE-401

Compulsory 2
credit

IGOU, Yoshinobu

1. Course Description

The aim of this course is to help students acquire the necessary knowledge needed to achieve a better

understanding in their educational studies. This course will revisit the perception that education is important to find social and individual issues.

By the end of the course, students should be able to do the following:

- Describe and explain major methods and theories, not only pedagogy but also andragogy,
- Evaluate major studies in terms of educational methods, results, conclusions and implications,
- Apply theories or findings to real world situations.
