

Senior Seminar II

Syllabus Number

THE-402

Compulsory 2
credit

IGOU, Yoshinobu

1. Course Description

The aim of this course is to help students acquire the necessary skills and knowledge needed to achieve a better performance in their educational studies. This course will make an attempt to draw up community learning plans and explore how to provide local residents with opportunities for lifelong learning based on methodological studies working in close contact with students who take this class. By the end of the course, students should be able to compare and contrast alternative theories or approaches in terms of their underlying processes.
