

Journalism I

Syllabus Number SOC-107
Elective 2 credit
SAKAMOTO, Hiroshi

1. Course Description

In this course, students will develop an understanding of post-war magazine journalism by studying popular magazines, which are familiar to us all. Special attention will be paid to the publications of Magazine House Ltd. (formerly Heibon Shuppan), which successively published several magazines that had a significant influence on post-war society.

It is recommended that students who plan to take Journalism II take Journalism I first.
