

観光経営学特殊講義Ⅰ

Syllabus Number

TOS-403

Compulsory Elective
2 credit

KONNO, Hisako

1. Course Description

This is the most advanced course for learning about the tourism management as the all-inclusive learning at our department. We learn about the tourism management from the point of view of the tourist psychology, the tourism industries and the destinational regions. We try to study and practice in the small teams through the group discussions.
