## Experiments Psychology I

Educational Syllabus Number

in

EDP-202

Elective 2 credit YAMAMURA, Yutaka•KANDA, Takashi

## 1. Course Description

The aim of this course is to help students acquire the necessary skills and knowledge needed to achieve a better performance in their psychology experiments. It also enhances the development of students' skill in making report writing and self-regulated learning. Grading will be decided based on attendance, lab reports, and the quality of the students' experimental performance in the lab.
