

経営学演習Ⅰ

Compulsory 2
credit

OSHIMO, Shigeru

1. Course Description

The theme of this seminar is to learn methods to revitalize the local community as a field. Students eligible to take this seminar are first-year master's students. As basic skills for writing up a master's thesis, the students will acquire researcher's mindset and viewpoint for selecting a topic, skills to collect references and refer to materials, and thesis structure and writing techniques.
