

Career Design and Company Selection 1 Syllabus Number CAE-101
Elective 2 credit
ISOYAMA, Masaru・FUKINO, Ayuko

1. Course Description

The purpose of this class is to acquire communication skills and manners from the first year of university, and to think about "how to spend a fulfilling university life" on your own and create opportunities to take action. This will always be a plus for your job hunting in the next few years.
