

Japanese Culture 1-2

Syllabus Number

JLT-102

[III]

Elective 2

credit

OWAKI, Junichi

1. Course Description

One cannot talk about Japanese culture without mentioning "food, clothing, and shelter," the standards of human life.

In this lecture, we will focus on "housing" among them. What does it mean to "live"? What is "home"? The lecture will unravel Japanese (Asian) housing based on feng shui and house divination, which are living theories of the environment.
