1. Course Description

"Chinese Communist Party's 100 years"

The last year(2021), Chinese Communist Party reached its 100 years anniversary. We will study about the history of this political party with the backgrounds--the history of Republic of China(1912-1949), the relationship with Chinese Nationalist Party, and other countries, especially the Soviet Union. So that, you will realize the establishment of People's Republic of China, that "the Party leads the State".
