SHIBUTANI, Yuri

1. Course Description

"The ins and outs of Chinese society"

Every society could not be operated without systems and rules, but at the same time, we could not realize the society without the reality that spreads out in the backyard. In this course, we will start from thinking about the historical process and reasons, that be built the ins and outs of the present Chinese society. And I will provide many chances to find the research issue for everyone.
