

# Topics in Japanese History 6B- I

Syllabus Number

JPH-211

Compulsory Elective  
2 credit

YAMASHITA, Sumire

## 1. Course Description

In this class, we will discuss various aspects of learning and technology around the 19th century from a cultural history perspective. We will also focus on how each of these issues was related to the international and political situation, and how they developed regionally, in order to deepen our understanding of the transition from the early modern era to the modern era.
