

Reading Materials in Geography 1B-I

Syllabus Number

GGR-211

Compulsory Elective
2 credit

TSUTSUI, Yu

1. Course Description

In this series of lectures, students will read a book written by Minoru Kawakita, a scholar who studies British history. His book, *Sato no Sekaishi*, is based on his surveys and provides meaningful insight into formation of regional differences. After this class, students will understand the cultural differences and the popularization of foods in the world.
