

Seminar: Geography 2B-I

Syllabus Number

SEM-341

Compulsory Elective
2 credit

HIRANO, Junpei

1. Course Description

In this seminar, each student will chose a geographical article according to their interest and give an abstract of it via Power Point presentation to the class. After, there will be a question and answer session to assess its aims and methods. Finally, students will be able to better understand how to compose geographical articles, decide on proper aims, and engage in critical analysis of methodology.
