

Seminar : Japanese History 2B- II

Syllabus Number

SEM-304

Compulsory Elective
2 credit

SAEKI, Tomohiro

1. Course Description

By subscribing to a dissertation on early medieval Japanese history, you will learn about the current status and future challenges of research on early medieval Japanese history. The person in charge of the presentation prepares a resume about the content of the paper and makes a presentation, and after the presentation, all the attendees discuss.
