

経営戦略論演習

Elective 4 credit
ISOYAMA, Masaru

1. Course Description

In this seminar, we aim to acquire the knowledge necessary to compare corporate management of each country and write a thesis, in accordance with the attention of students. At that time, Japan will be set as the basis of comparison, centering on management strategy and organization culture. In the autumn, with a view to writing a master's thesis, we will announce the characteristics of the company management of the countries in which each student is interested and deepen their understanding.
