

卒業演習(美術史・文化遺産2)－Ⅱ

Syllabus Number

SEM-450

Compulsory Elective
2 credit

YAMADA, Hiroki

1. Course Description

The purpose of this class is to help students to find their interests through dialogue to write their graduation thesis that they shall write in forth grade. In this class, students will present their research topics in front of faculty and other students, and receive advice and questions to refine their ideas. The goal of this class is to acquire the ability for organizing prior research areas for their graduation thesis and for making presentation to explain what they want to clarify.
