## 1. 授業の概要(ねらい)

This course (composed of Development Finance III in the spring semester and Development Finance IV in the autumn semester) deals with development finance issues in Asia. Development Finance III will discuss three major themes in development finance, i.e., (i) financial deepening, (ii) financial access, and (iii) financial stability. Current topics related to these themes are also introduced in classes.

## 2. 授業の到達目標

This is an introductory course. By the end of Development Finance III, students are expected to understand the current status and how the development of the finance sector could contribute in Asian growth towards sustainable development.

## 3. 成績評価の方法および基準

Grades will be determined by the combination of class participation (60%), which includes attendance, the degree of participation in the discussions and the quality of presentations, and the final report (40%).

## 4. 教科書・参考文献

教科書

"Financing Asia's Future Growth" in "Asian Development Outlook 2015" Asian Development Bank  
"Making Money Work: Financing a sustainable future in Asia and the Pacific" Asian Development Bank

## 5. 準備学修の内容

Students are expected to do advanced reading of the chapter in the reference papers to be discussed in class. In addition, an appointed student is expected to prepare presentation materials on the assigned theme to deliver his/her presentation in the next class.

## 6. その他履修上の注意事項

As this is an introductory course, no pre-conditions are needed. Students will be asked to make short presentations in classes.
