

# Speaking/Listening I

科目ナンバリング ENG-101

必修 1単位

各クラス共通

## 1. 授業の概要(ねらい)

This course, held only in English, aims to improve students' speaking and listening skills in communicative English. This includes the learning of various skills and knowledge, such as pronunciation, intonation, vocabulary, grammar, and word usage. Lessons include a variety of activities intended to stimulate students to actively practice speaking English in class. Since the course has an "oral communications" focus, active participation in class is required, both for grading and for the students' meaningful progress in speaking skills.

## 2. 授業の到達目標

The objective of this course is to improve the English speaking and listening skills of students. Through various kinds of speaking and listening tasks, students are expected to learn to pronounce correctly, to expand vocabulary and to understand grammar structures. By the end of this semester, students should be able to develop more effective listening skills, acquire the ability to express themselves more effectively, and enhance the ability to better understand spoken English.
