1. 授業の概要(ねらい)

TAEP(帝京アジア交流プログラム)留学生のための演習で、使用言語は原則として英語です。
This is a Seminar class for TAEP (Teikyo Asia Exchange Program) students, and the taught language is English in principle.

The major goals of this seminar are the following three.

1. Ensure the basic academic training required for the study of major subjects.
2. Learn and experience the short thesis writing.
3. Develop a good understanding on the world economic situation and the diverse ideas, and nurture the talents needed in this globalized world.

To this goal, in the Seminar I (spring semester), students will first learn the basic academic kits, and secondly work in groups for the study and discussion on important world economic issues. In the Seminar II (fall semester), students are asked to write a short but formal thesis on the topics of their major.

2. 授業の到達目標

1. Be able to comment on the contemporary world economic issues.
2. By deepening understandings on the commonality and diversity of the value judgement in various countries, develop a global point of view.
3. Be able to write an academic and objective report.
