

1. 授業の概要(ねらい)

In this class we will be building on basic English skills. Using the simple fundamentals of good grammar we will be learning more natural English to use in simple conversation. We will also be building on fluency, pronunciation and enunciation skills.

2. 授業の到達目標

At the end of this course students will be able to effectively navigate various situations where they may need to use English for travel, to make friends, or in the work environment. Students should be able to understand, answer and ask questions using simple sentences, and with these basic tools learn to build richer more interesting conversations. Students will also be more familiar and comfortable with natural English as it is used by native speakers.
