

1. 授業の概要(ねらい)

In this course students will work individually and in groups to develop their communication skills. In addition to improving their vocabulary and conversational skills the students will learn about cultural differences and similarities.

2. 授業の到達目標

The objective of the course is to encourage students to communicate about their lives, cultures and interests using English. The students will work in pairs and groups and learn how to initiate and contribute to conversations. While testing and assignments will play an important role in the course, participation in class will be the most important.

3. 成績評価の方法および基準

Exams: 40% Homework and Assignments: 20% Attendance and Participation: 40%

4. 教科書・参考文献

教科書

By Ken Wilson 『Smart Choice 2B (Third Edition)』 Published by Oxford University Press

5. 準備学修の内容

Students will work together in pairs and groups during listening and speaking exercises to improve their basic English skills. Homework assignments will be given out during the 15 week course. All lessons are in English only.

6. その他履修上の注意事項

Textbooks, notebooks and bilingual dictionaries (English-Japanese) are required for all classes.
