

# 日本探究演習Ⅰ

科目ナンバリング SEM-201  
選択 2単位

日野 純子

## 1. 授業の概要(ねらい)

This is one of the classes of the Japan Explore Program, and conducted in English. The class provides a unique chance with Japanese students with English competence and international students to interact, discuss, and work together in a collaborative setting. We will practice English presentation skills by performing small presentation, and learning useful expressions from movies, speeches, or news. We will talk and critically analyze Japanese people and culture from varieties of perspectives. Students will be working in groups of their interest, and making the final presentation

## 2. 授業の到達目標

To be able to use English to discuss and critically analyze Japanese culture and society.  
To be able to explore cultural and social problems in Japan.  
To be able to present your analysis of Japanese culture in English.

## 3. 成績評価の方法および基準

30% Participation and Preparedness  
30% Small presentation, Quizzes  
40% Final Presentation  
More than 5 time absents is not allowed.

## 4. 教科書・参考文献

教科書  
TBA

## 5. 準備学修の内容

Students are expected to come to class fully prepared

## 6. その他履修上の注意事項

1This is not a class for passive students who want an easy credit.  
2Students are expected to come to class on time, do homework, and actively participate for discussion or group work in the class.  
3The class schedule is subjected to change depending of students' interests.  
4 The 14th session will be conducted by LMS.
