

アジア経済史Ⅳ (Economic History of AsiaⅣ)

科目ナンバリング ECH-204
選択 2単位

江夏 由樹

1. 授業の概要(ねらい)

The purpose of this class is to deepen students' understanding of Asian economic history, especially from the perspective of westernization and modernization. We will also review the modern history of Asia referring to the study of "developing economics" such as works by Amartya Sen. We will decide the details of the class after the first and the second meeting. So, the class schedule below is a temporary one.

2. 授業の到達目標

We aim to get the basic knowledge about Asian economic history from the viewpoint of westernization and modernization. We also try to understand the basic knowledge of world history and the meaning of globalization.

3. 成績評価の方法および基準

Class participation including presentation and discussion - 50%
Term Report - 50%
