General Basic Subjects

Elective 2 credit

TAMA Shinnosuke

1. Course Description

In this class, you will learn the basic history of Japanese modern and modern times based on the text. The aim is to transform "reclaiming Japanese history" into "thinking Japanese history". At that time, pay attention to the relationship between Japan and the movement of the world. This lecture aims to achieve the diploma policy by incorporating group learning and discussions within students.

2. Course Objectives

You will be able to explain the big flow that the country of Japan has followed.
You will be able to explain the relationship between Japan and foreign countries.
You will be able to talk about the issues facing Japan today from a historical point of view.
You will be able to critically talk about the various debates over Japanese history.

3. Grading Policy

Mid-term exam (25%), final exam (60%), normal point (15%), total (100%).
The midterm exam will be returned to you and deepen our understanding once again.
