

# Life Design Seminar I

Syllabus Number 8E101  
Communication Subjects  
Requisites 2  
credit

HAYASHIDA. Tomoyuki

## 1. Course Description

- Classes are based on classroom presentations and discussions.
- The assignment will be given to the students each time based on the goal of the class by the professor in charge.
- Students will gather and organize necessary information concerning tasks presented in advance, prepare resumes, and attend presentations and discussions.
- We will conduct excursions as necessary to discover regional issues and students will explore clues for solving the problems through group work based on that.
- This course includes two fieldwork
- This course includes two lectures and workshops on college life by inviting external lecturers.
- In this Course, you will acquire knowledge and attitudes, especially for study objective 3 of the Department of Regional Economics.

## 2. Course Objectives

Based on Teikyo University's educational philosophy, Life Design Seminar will set the objective of the lesson to acquire the following three abilities necessary for universities and society.

- Social skills: Students can acquire expressive and communication skills to accurately convey their way of thinking to others.
- Self-educational ability: Students can think about their future and acquire the ability to learn systematically with awareness.
- Specialized skills: Students can learn the ability to solve problems using expert knowledge learned in Department of Economics and Department of Regional Economics.
