

Seminar V

Syllabus Number 8E401

Major Course: Basic

Requisites 1 credit

NAIKI, Shigeru

1. Course Description

The professor teaching this course has had a great deal of experience as a senior officer in both the central and local governments, such as diplomat, deputy mayor, administrative manager and as a pioneer of the "One village one product movement" (a typical policy for local development, spreading throughout Japan). The professor also holds the title of the honorary professor at the Local Autonomy College, Ministry of Internal Affairs and Communications.

Through seminar III and IV, the students can have the future plan as the civil servants. In this seminar, they will complete their own final reports and graduation thesis. The students by turns give presentation on their final reports. They can get the knowledge, accomplishment and attitude of DP (1,2,3).

The professor teaching in this course has a great deal of experience as a senior officer in both the central and local governments, such as diplomat, deputy mayor, administrative manager and as a pioneer of the "One village one product movement" (a typical policy for local development, spreading throughout Japan). The professor also holds the title of the honorary professor at the Local Autonomy College, Ministry of Internal Affairs and Communications.

Through seminar III and IV, the students can have the future plan as the civil servants. In this seminar, they will complete their own final reports and graduation thesis. The students by turn give a presentation on their final reports.

The students can learn more about the knowledge, accomplishment and attitude in DP (1,2,3).

2. Course Objectives

The students will study the public policies aimed at solving various problems in the local government. Then they will discuss these matters and look for solutions to propose their final reports and graduation thesis. Through these efforts, the students will be able to establish their own decision-making skills and self-reliance spirit.
