

Sports1

Syllabus Number 0C121
General Basic Subjects
Elective 1 credit
FUJII HIROAKI

1. Course Description

The increasing tendency towards isolation and inactivity in modern life often results in emotional, mental, and physical illnesses. In Japan in the past two decades, it has been reported that the number of people who have inactive life styles has been increasing. The purposes of this course are to improve wellness and social interaction skills with other students leading to more success inside and outside of the classroom.

This course relates to learning objective 5 (liberal education)
