

Life Design Seminar I

Syllabus Number 8E101
Communication Subjects
Requisites 2
credit

NIWA Takahito

1. Course Description

This seminar is based on classroom presentations and discussions. Students will gather and organize necessary information concerning tasks presented in advance, prepare resumes, and presentations and discussions. In addition, we will conduct excursions as necessary to discover local issues. Students will explore clues for problem solving through group work based on that.

2. Course Objectives

- 1 You can be concerned with local issues.
- 2 You can gather information and analyze them that are related to local issues.
- 3 You can have some ideas to resolve local issues.
- 4 You can express your opinions.
- 5 You can consider about others.
