1. Course Description

This class is designed to achieve Educational Goals 1, 2, and 3 of the General Basic Subjects. We read some English texts to obtain the necessary knowledge efficiently, and use that knowledge to solve the problem of confirmation tests. We will Focus on learning natural pronunciation and correct grammar.

2. Course Objectives

The goal is to improve English proficiency comprehensively based on the English learned so far. Through understanding "English ideas", you will be able to improve your vocabulary and expressiveness in English, and become able to express English correctly.

3. Grading Policy

Exercises in class, participation, assignments (40%) and the term-end examination (60%)

4. Textbook and Reference

Textbook

No specific textbook will not be used, but my original handouts will be used.

5. Requirements(Assignments)

Students will be encouraged to prepare for classes. They should check the words and expressions that they don't know and try to fully understand the content of the text.

6. Note

Classes will follow the order in the textbook. If there is any change of the order, advance notice will be provided in class. Supplementary materials may be provided in class.
