

Basic English

Syllabus Number

0A191

Remedial Subject

Elective 1 credit

MAEHARA, Yoshiyuki

1. Course Description

This class is designed to achieve Educational Goals 1, 2, and 3 of the General Basic Subjects.

A placement test is required for this course. We will cover a few basic grammatical items every week and will do some exercises to check the understanding. Students will learn through such activities as a pair work

2. Course Objectives

This course aims to enable students to learn the basics of grammar to improve English proficiency.

3. Grading Policy

Exercises in classes and participation (50%) and examinations (50%).

4. Textbook and Reference

5. Requirements(Assignments)

Students should do the exercises before class and should review them after class.

6. Note

No textbooks are required. Students will be provided with handouts during class.
