

German3

Syllabus Number 0A232

General Basic Subjects
Elective 1 credit

KANNARI YUTO

1. Course Description

Germany is the center of the EU economy and famous for rows of houses in towns, beautiful scenery, music, literature and philosophy. In this lecture, we will read some essays in German while reviewing German grammar. The purpose of this course is that you can read standard-level German sentences by your self with dictionary.

This course is designed to achieve educational goals 1, 2, and 3 of General Basic Subjects.

2. Course Objectives

- Students can read German sentences. (Skill)
- Students can communicate in German, such as greetings and self-introductions. (Skill)
- Students can write simple sentences in German. (Skill)
- Students can understand everyday German conversation. (Skill)
- Students can understand elementary German grammar. (Knowledge / Understanding)

3. Grading Policy

- Charging of translation: 60%, mini exams: 40%
- I will provide feedback on charging of translation and the mini-exams.
