

Foreign Studies3, 4

Syllabus Number

0H201

General Basic Subjects

Elective 2 credit

Each Staff

1. Course Description

Students will study abroad (usually for two or three weeks), learn the language, develop communication skills and widen their understanding of culture and society in real-life settings, attending the language course(s) and program(s).

2. Course Objectives

The purpose of this course is to give students opportunities to deepen their understanding of various cultures and to improve their language skills. Students will be able to develop their English proficiency and have an idea of what it is to meet a foreign culture(s) in real-life settings.
