Major Course: Regional
Economics Elective
2 credit

HAYASHIDA. Tomoyuki

1. Course Description

We will learn how companies, governments and communities are addressing environmental issues and use natural resources. If the arrangement can be made, two lectures and workshops on eco-business will be held by inviting external instructors. In this course, you will acquire knowledge and attitudes on the policy (degree of diploma policy) DP2, especially for the Department of Regional Economics.

2. Course Objectives

You can deepen your understanding of how environmental issues and the use of natural resources are addressed in the regional societies.
