

Case studies on Improvement in Tochigi

Regional

Syllabus Number

8D303

Major Course: Regional
Economics Elective
2 credit

NIWA Takahito

1. Course Description

Due to decentralization, whether regional improvement will succeed or not depends upon each region. In this lecture, you will learn about the roles of regional policies and its uniqueness through case studies in Tochigi. In addition, this lecture shows some case studies in other prefectures and overseas.

2. Course Objectives

- ① You can understand viewpoints about regional improvement.
- ② You can get a new idea for regional development.
- ③ You can express your opinions.
- ④ You can have consideration for others.
